Defining a Contingent I Employee

An overseas contingent I employee is nonexempt (hourly) and is employed under contract for a term of up to 6 months. Overseas contingent I employees typically work less than 20 hours per week. Employment may be seasonal, intermittent, or "if and when needed." Overseas contingent I employees work throughout the university in many departments, bringing them in contact with students, faculty, and staff in a wide variety of functions.

Compensation

As an overseas contingent I employee, you will receive a monthly paycheck (subject to required withholdings) for hours worked.

Maryland Healthy Working Families Act of 2018

As an overseas contingent I employee, you will receive up to a maximum of 64 hours per year for sick/safe time off.

Retirement

Overseas contingent I employees are eligible to contribute to a supplemental retirement account (SRA). The companies that administer these plans are Fidelity Investments and TIAA. Plan choices include 403(b) and 457(b). The university does not provide subsidies or matching funds.

Direct Deposit

Direct deposit is available to overseas contingent I employees. Paychecks will automatically be deposited directly into an employee's checking account once the employee completes a direct deposit authorization form.
